

# Chapter 4

## **Section 4.1 → The Position, Velocity and Acceleration Vectors**

The Whole section is included.

## **Section 4.2 → Two Dimensional Motion with Constant Acceleration**

The Whole section is included.

## **Section 4.3 → Projectile Motion**

The Whole section is included.

## **Section 4.4 → The Particle in Uniform Circular Motion**

The Whole section is included.

## **Section 4.5 → Tangential and Radial Acceleration**

The Whole section is included.

## **Section 4.6 → Relative Velocity and Relative Acceleration**

Not included.
